## Shantiniketan Vidyalaya

Shantiniketan Vidyalaya is a co-educational C.B.S.E, English medium, residential school. The school has been established to impart quality education and to develop a comprehensive personality in the children.

The purpose of education is the development of a totally integrated personality with positive, creative and responsive qualities. To quote Swami Vivekananda, We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet. At Shantiniketan Vidyalaya, our intention will always be to translate Swami Vivekananda's vision into a reality.

### KPR EDUCATIONAL ACADEMY

The KPR Educational Academy has members drawn from different fields such as Education, Industry, Judiciary, Administration and many other professions. The motto of the Academy "Sa Vidya Ya Vimuktaye" means "That is True Education, which Liberates". The Academy is committed to strive for quality education. It has plans to establish institutions of high quality both at school and college level. The Academy has abiding faith in the concept of human development and plans to equip the child with the knowledge and skills to face a competitive world. Shantiniketan Vidyalaya is an attempt in this direction.

### GOVERNING BODY

The school is founded and managed by KPR Educational Academy with eminent educationists in the field of

education for more than two decades. The Governing Body includes able administrators and industrialists with adequate managerial expertise, financial resources and a deep sense of commitment to the cause of quality education.

The Director of Shantiniketan Vidyalaya has rich experience in managing schools. He has been associated with C.B.S.E. Schools with excellent results in Class X and successful participation in inter-school co-curricular competitions.

Our Director is a recipient of Best Teacher Award from Govt of A.P. He has been nominated by Her excellence The President of India Smt. Pratibha Patil as a member on the Board of Management of IGNOU.

### ADVISORY COUNCIL

The school has an advisory council comprising leading educationists, administrators and eminent personalities from different walks of life. The council constantly monitors the emerging patterns of educational systems both in India and abroad and provides necessary direction, guidance and advice to the school.

### LOCATION

The school is located in a calm, serene, pollution free environment on an extensive 25 acre campus at Shamirpet, to the North of Hyderabad city, on Rajiv Rahadari Highway (20 km. from Secunderabad, 18 km. from Jubilee Bus Station, Secunderabad.).

## CURRICULUM

The school offers the Central Board of Secondary Education (CBSE) syllabus which will enable the child to stand up to the demands of the increasingly competitive world of tomorrow. Integrated coaching in Science & Mathematics which also covers the SSC syllabus, is carried out in Classes VIII, IX & X. Teaching at the school is not a routine activity. Instead, the best possible teaching methods (activity oriented) and advanced technological aids are used to create and sustain the interest of students. The curriculum and methodology enable students to achieve quality in thinking, quality in perspective and quality in analysis. The three R's taught to the students are not only Reading, Writing and Arithmetic. In Shantiniketan, the three R's also stand for Respect for Elders, Renewal of faith in oneself and Rejuvenation of Childhood.

The young scholars of the school, who seriously apply themselves to studies during the day are out in the games field or the Swimming Pool in the evening. There is adequate infrastructure available for both indoor and outdoor games such as Table Tennis, Chess, Carom, Cricket, Hockey, Football, Valley ball, Throw ball, Tennikoit, Badminton, Basketball etc.

Sunday is the day that takes students away from Academics and gives wings to their creativity. Yoga, Dance, Music, Debates, Dramatics, Painting, Karate these are some of the activities the students are busy with. A film is shown to the students once a week on the campus on a big screen.

The focal point of all activities of the school is the students. Every activity is child centered. Effort is being made to give

the children a fulfilling Childhood so that they are better equipped to face the challenges of their Youth and Adult life. As a result the school campus is full of young students with a twinkle in their eyes, a smile on their lips, a song in their hearts.

## CLASSES

The school admits students for classes I to X. In order to facilitate the individual attention of the teacher to each student, the strength is restricted to only 30 students in each section. Each section is grouped into four houses to encourage competitive spirit among the students. These Houses are Raman House, Vivekananda House, Tagore House and Cariappa House. Remedial Classes for weak students are conducted regularly.

## COMPUTER FACILITIES

The school has a computer centre manned by experts in computer use for the school students. The computer centre provides necessary computer training to the students on various subjects. Computers are used as one of the teaching devices to sharpen the knowledge of the students.

## LIBRARY

The library is the nerve centre of any educational institution and more so in a residential school. The library has a rich collection of books, audio & Video tapes on various subjects. The best possible journals and magazines are made available in the library. The teachers guide and motivate the students to develop reading habit.

## BHARAT DARSHAN

The school organises educational tours to the places of historical and scientific importance. These tours are accompanied by the teachers. The students have been taken to Bangalore, Visakhapatnam, Kulu Manali, Dehradun, New Delhi and Mysore. Local trips have also been organised to places like Ocean Park, Mount Opera, Ramoji Film City, Nagarjuna Sagar and Saraswati Temple at Basara. The students take up a written assignment about the tour. The educational tour provides necessary exposure to the students.

## GROWTH OF THE SCHOOL

The school has grown from strength to strength in numbers and infrastructure, quality of teaching, academic results and co-curricular achievements.

### 1. Number of Students

The growth of the school in numbers has been phenomenal.

### 2. Academics
